Dave's House provides affordable permanent supportive housing for individuals with serious mental illness (SMI) and co-occurring disabilities. Since 2008, the nonprofit has developed housing based on models that combine a solid foundation of stable housing and managed mental health care provided by mental health service partners.

and changing lives

Your contributions of financial support, volunteering, mentoring and product donations help our residents rejoin our community, giving them purpose and motivation, free of stigma, despair and isolation.

Your support helps Dave's House expand our resident family – locating and funding homes; performing major repairs and renovations; furnishing and supplying each home; and providing bridge, rainy day and emergency funding.

On October 13, join us at Howl At The Moon for a festive evening of song, dance and merriment, benefiting Dave's House programs that create permanent supportive housing in Central Florida for people with serious mental illness.

Progress

- 86 permanently-housed residents living with SMI
- 90% retention rate
- 24/7 crisis intervention and stabilization services
- 100% focus upon self-sustainability
- \$3.2 million in housing and neighborhood improvement

Current Projects

- 10th Single Family Home for 4 residents
- Multiple Dave's Housing First apartment homes
- Development of long-term operational solutions that serve the Central Florida community in partnership with other homelessness-focused groups
- The move-in cost per resident is \$3,000
