Dave's Virtual House Party will be a week of virtual fun celebrating Dave's House programs that end homelessness for men and women with serious mental illness.

During Mental Illness Awareness Week, we will raise funds to help people in our community with friendly competitions, an online auction and supporter personal House Parties at home or online. Supporters will build their personal fundraising teams for their personal fundraisers. The Top Five teams will receive fabulous prizes. At the online Wrap Up Party, we'll announce fundraising winners, have a lively live auction, and spotlight Dave's House residents, community partners and program initiatives.

In the weeks before the Virtual Party, all our supporters will get the friendly competition started on our online auction. Your auction donation spotlights your support of our community programs to over 350 community leaders. And the lucky winners take home your products, services, experiences, branded merchandise or gift card to connect them with your company.

We welcome all donations, big and small. Last year, our silent and live auctions provided over \$22,000 to support our programs.

We will recognize your company on social media as well as spotlight your auction donation. Your company will also be included in our Wrap Up Party presentation.

Please donate to our Dave's Virtual House Party Auction and help empower our residents to continue their journey to life betterment. Proceeds of this benefit event support our work to add more permanent supportive housing homes for more residents and to help our residents continue to improve their lives.

It's all good fun for a great cause, and to help raise mental illness awareness! We thank you and hope you can join us during Mental Illness Awareness Week!

Fundraising proceeds help expand our programs to provide the stability of affordable permanent supportive housing for more people with serious mental illness as well as enhance our programs providing ongoing life skills training for our residents.

Dave's House serves men and women with serious mental illness who are chronically homeless, at risk of being homeless or in sub-standard housing. Due to dramatic life changes including the death of their caregiver, a health crisis, a lack of family support, unemployment or trauma, they have no housing, mental health care or financial support system. Their Dave's House home provides an environment for success – breaking the cycle of homelessness, jail and hospitalization. Our residents have the peace of mind that they have an affordable permanent home.

Thank you
so much for your auction donation!
