At Dave's House Party 2022, community leaders will celebrate the successes of our residents, living in recovery with serious mental illness. They will enjoy an evening sunset party, Key West style, filled with festive music, auctions, program news, wine toss and more. Volunteers will work together to create a Mile 0, Key West ambiance to entertain our guests.

Dave's House Party is our primary annual fundraising event. Sponsorships, business partnerships and ticket proceeds help expand our programs to provide the stability of affordable permanent supportive housing for more people with serious mental illness as well as enhance our programs providing ongoing life skills training for our residents.

Community Relations & Sponsorship

Be an advocate for our work, acquiring business partner sponsorships. You'll share the Dave's House story, ask for sponsorship support and answer any questions on sponsor benefits that give our partners valuable community presence. Work your personal network or create new relationships.
