

Be a Part of Our **GROWTH**

Contribute your talents to further our mission to end homelessness for men and women with serious mental illness.

Volunteer

Join our Board of Directors. Serve on a project, event or program team. Projects throughout the year.

Help our residents grow personally and professional through our Dave's House 360° Resident Development Programs. They offer social, career, health and daily life skill training in areas including nutrition and cooking, gardening, personal computing and wellness.

Mentor a resident as a trained mentor, helping residents improve their health, independence, social interaction and life skills.

Our Homes

Tour one of our single-site multi-resident homes, our model for nine homes. Learn about our new residential community project.

Donate Services

Our homes provide the opportunity for our partners to contribute refurbishment, amenities and maintenance in-kind projects.

Partners have contributed projects including:

- materials and labor for an outdoor deck, an outdoor storage shed, a kitchen refurb
- landscaping and more
